Movie @ 6 pm

October 12th, 2017

The film highlights the actions on the Backwater Bridge and nearby locations at the Standing Rock Reservation leading up to a brutal night in which the Morton County Sheriff's department unleashed rubber bullets, concussion grenades, tear gas and freezing water-cannons on the people of Standing Rock and their environmentalist allies, resulting in 300 injuries.

Race Reels is sponsored by the BEU and the BHS PTO
