The Philip Katz Professional Development Fund Scholarship 2018-2019

Any member of the BEU can apply to receive one of two \$500 scholarships that the BEU presents annually. Winners will be chosen by lottery from all those who apply by February 11, 2019. The winners may use the funds for professional development of their choice -- attending a conference or conferences, taking a course, etc. Winners will be reimbursed (up to \$500 each) after documenting payment of fees for the activity or activities of this school year. BEU members are eligible to win this award once. In other words, once you win it, you're done-like the Caverly Award. Winners will be announced on after the February 11, 2019 BEU Reps Council Meeting.

The professional development course must be taken between 7/1/2018 to 8/31/2019 for this year's award and there must be a receipt for payment.

To apply, please send your contact information by email to beu-mta@hotmail.com with **Phil Katz** in the subject line.
